

Less than 1% of life care planners are qualified physicians.

We are PHYSICIAN Life Care Planners.

Expert, objective, credible, defensible

Comprehensive Medical Expertise

Physician Life Care Planning provides the highest quality, most comprehensive medically-related litigation support available.

We are Physician Life Care Planners in a field in which less than 1% of life care planners are qualified physicians.

As practicing MDs who specialize in Physical Medicine & Rehabilitation, we possess the requisite expertise to independently formulate recommendations for ongoing medical care.

We are the nation's premier team of physician life care planners, vocational specialists, professional economists, Medicare secondary-payer compliance experts, medical illustrators and neuropsychologists.

Our physicians and other experts are leading professionals who are committed to the highest standards of ethics, integrity, and objectivity.
